

2009 NDEDIC Golf Tournament

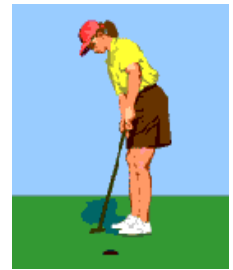

Wigwam Golf Resort & Spa – Gold Course

Open to all Conference registrants & their guests

Date: May 5, 2009

Tee off: 7:00 AM

Format: SCRAMBLE

Following the success of last year's tournament, which was our biggest and best ever, the 2009 Tournament will again, be a best ball scramble. We'll be adding more contests, prizes and fun so don't miss out on a major NDEDIC highlight. Where else can you spend so many hours of quality networking time while having fun?

For those early risers, we'll start things off (at 6:18 AM) with a pre-tournament putting contest to add to your experience, get you "warmed" up and put you in the running for prizes. Tee off temperatures are predicted to be a bit brisk, in the mid 80's, so bundle up. ☺ Proximity awards will allow players, of all skill levels, the opportunity to win prizes. There will also be random prize drawings awarded to Tournament participants so, regardless of skill you have a great shot. If you play every week or once a year, this is the event for you. Our Tournament goals are fun and networking. You will rarely have a better chance to meet members and network than in the relaxed atmosphere of our Tournament. Sure, we get a few folks who actually take the contest seriously but we get even with them eventually. If you are bringing a guest to this year's Conference, please note that they will be more than welcome to join us.

We've tried for years and have finally secured tee times on the Wigwam **Gold Course!**

This Robert Trent Jones Sr. track is known as "*Arizona's Monster*". It is the most desirable of the 54 holes offered. Don't let the name fool you. We'll tame the "*Monster*" with the superior NDEDIC attitude and perseverance.

"The good times will roll and you'll have the ultimate opportunity to network and show your skills, or lack there of. Few can forget my famous whiff on Hole #1 which was later dubbed the first "*Desert Breeze Award*". As you can imagine, my golf prowess is the stuff of legends. Find me (Jack Kingston) at the Conference and I'll tell you the whole story."

Please mark your calendars now and join us in all the festivities. Sponsorships are available so make room in your budget for this fantastic outing which will surely guarantee an excellent return on your investment.
