

The New HIPAA Transactions: What is the Current State of the HIPAA Environment?

Thursday, May 7 4:00 PM to 5:00 PM

DESCRIPTION

What is the current state of the HIPAA environment? Find out the answer to this question and other HIPAA related questions at this presentation. Come and learn about what the dental healthcare industry is experiencing in their move to the next phase of HIPAA.

OBJECTIVES

- 1) Where is the industry and CMS with the 4010 to 5010 conversion? When will this change be mandated for use?
- 2) What is the next phase of HIPAA?
- 3) What else can we expect in the near future?

SPEAKERS

Theresa Jansen, Manager, Dental Electronic Services, United Concordia Companies, Inc.

Tom Drinkard, Director, Applications Development, Mercury Data Exchange
