

2010 Annual Conference NDEDIC Golf Sponsorship Information

Partnering for Success *Promoting Technology Advancements for the Dental Industry*

May 5, 2010
San Diego Marriott Mission Valley, San Diego, California

About the joint Conference:

While your company may receive additional exposure due to numerous joint sessions and events, sponsorships indicated in these materials are with the National Dental EDI Council and will serve to benefit NDEDIC.

NDEDIC appreciates the financial assistance provided by exhibitors and supporters who sponsor conference events. This sponsorship enables NDEDIC to provide a selection of professional tools, activities and educational materials for its members and helps us avoid significant increases to our registration fees.

A sponsorship enables you to highlight your company while demonstrating your support of NDEDIC and the dental industry. Sponsors are recognized in the official NDEDIC program booklet, conference guide, on our website and during each sponsored event.

You may choose to register for your Sponsorship online at our store [Click Here](#)
